## Why the Vivera Retainer Subscription will keep you smiling:

### Shift happens

Without consistent retainer use, teeth can shift after straightening - protect your beautiful smile, and your investment.

### Set it and forget it

With direct, automatic delivery to our office, you'll never have to worry about being without a clean, fresh retainer.

### Your retainers, your way

Receive your comfortable, custom-fit retainers on an optimal schedule determined by you and Dr. Risinger.

**Vivera Retainers, from the makers of Invisalign® Clear Aligners** are virtually invisible and custom-fit for your new smile with your comfort in mind. They are at least 30% stronger and twice as durable as other leading clear retainer materials.
